NPIC NOTICE  
NO. 1-6

ORGANIZATION  
7 May 1970

ORGANIZATION CHANGES

The following organization changes will be effective 1 July 1970.

- a. The Support Services Division will be redesignated the Support Staff (SS), NPIC. Chief, Support Staff will report directly to the Office of the Director, NPIC.
- b. The Support Staff will be composed of the six branches representing the following support functions - finance, training, security, personnel, logistics, and communications.
- c. The Special Contract and Procurement Staff will be abolished. The personnel and functions of that Staff, as well as the records management function and the incumbent Records Management Officer, will be located in the Office of the Chief, Support Staff.
- d. The Technical Services and Support Group will be redesignated the Technical Services Group (TSG), NPIC, and, with the exception of the changes noted above, will retain those personnel and functions for which it is presently responsible.
